

FCC. My wife and I drive an 18 wheeler in all 48 plus Canada. We listen to our XM Radio thru all that and depend upon the weather channel and the traffic channel to make decisions on what to do and how to get around bad situations. Only XM radio can give us the coverage we need to make these decisions. NAB should not make decisions for us since we pay for full and complete coverage of our wonderful America. NAB is just jealous since they can not give us the full coverage. Please reject the NAB petition 04-160 so that we can continue to get the coverage we need and expect. Respectfull, Mr./Mrs William E.
